

Dear Parents and Guardians

Thank you for continuing to support our school with the Colour Explosion School Fun Run. We are so excited to say that with two weeks remaining, the anticipation is building!

It is our responsibility to seek permission for your child to participate in the Colour Explosion School Fun Run. All measures have been taken to ensure that this event is safe for all students. The colour powder is made from 98% corn starch and 2% food colouring, making it non-toxic, biodegradable and gluten-free.

The staff will do their best to aim the powder towards the torso. However, wind may cause the powder to protrude onto your child's face or hair. Sunglasses will be provided for students on the day.

Ingredient listings and toxicology risk assessments are available at the Administration Office. Students with lung conditions such as asthma are advised to be careful in their decision to participate.

The colour powder will likely wash out of your child's clothing. Never the less, we recommend that your child wears a plain white shirt that you don't mind being coloured. The white shirt will need to be handed to your child's teacher prior to the event, labelled with their name.

Get ready for the brightest day at school! Thank you again for your support and happy fundraising.
